For Will Parke

Check through the WLBs to try to locate the disposal of OS parcel no 5775. - Probably pre-1925?

While checking through the W.L.B.s, I have left paper markers on every New Forest disposal that hasn't been recorded on the old Atlas - so far I have checked books 1 to 5. The ones that HAVE been recorded on the Atlas have the County Series OS. Sheet number and a tick in red ink alongside the WLB map.
